I Need Thee

I need thee every hour – most gracious Lord
No tender voice like thine can peace afford

Right now I come – I come to thee

The Precious Blood

Written by Sue Roseberry

Oh the precious blood of Jesus
Will never lose it's power – will never lose it's power
Will never lose it's power – will never lose it's power

It's strong enough (strong enough) to save me from my sins
And it's strong enough (strong enough) to deliver me deep within
It's strong enough (strong enough) to heal any affliction
It's strong enough (strong enough) to cancel out any addiction

Let's Praise The Lord

Written by John Patrick Adams

I came to lift him up – no other reason but to lift him up
No time to lose - no time to waste – I know my blessing - it's in my praise
Come on – let's praise the Lord

I came expecting God to move – to pour out blessings and fill the room
Fill it with power - fill it with love – fill it with blessings from up above
Come on – let's praise the Lord

He has been so good to me I just cannot tell it all
He made a way for me – so come on and bless him with me
Let's praise the Lord

Vamp: Come on (3X)
Let's praise the Lord
(Variation: It's in your praise)

Redeemed

Written by Rayshod Caldwell

Ooo.....Ooo

What an awesome price You paid at Calvary
To set my soul free from the guilt of sin
A debt so high that I can never repay
So I'll just lift my hands and say thank You
Oh – I've been redeemed by the blood

What if Jesus wouldn't have died upon the cross
Then we would all be lost in the bondage of sin
But He took the pain and was crucified for me
All at Calvary; He set my soul free
Oh – I've been redeemed by the blood

That Jesus shed for me way back on Calvary
(He could have called ten thousand angels to save us but he didn't)
If he would have come down from the cross
We would all be lost
I've been redeemed by

The blood that Jesus shed for me way back on Calvary
The blood that gives me strength from day to day

He paid it all at Calvary
For my sins to be forgiven
Paid it all at Calvary
For my sins to be forgiven
Paid it all at Calvary (Repeat)

I've been redeemed by the blood

I Give Him Praise

Written by Ronald Materre

I give him praise – all of the praise – for he alone is worthy of all praise
For his goodness and his kindness; for his mercy and his grace
For his favor I praise him; for his faithfulness I praise him
For he alone is worthy of all praise

For he's worthy of the glory - For he's worthy of the praise (2X)
I praise him – I praise his name (2X)
Everybody clap your hands, stomp your feet, leap for joy, praise his name (2X)
For he alone is worthy of all praise

Think Of His Goodness

Arrangement by Ronald Materre

When waves of affliction sweep over the soul
And sunlight is hidden – hidden from view
If ever you're tempted to fret or complain
Just think of his goodness – think of his goodness
Think of his goodness to you

The world may forsake you and those whom you trust
May prove to be false and untrue
Oh there's one you can count on even until the end
Just think of his goodness – think of his goodness
Think of his goodness to you

You ought to think of his goodness – goodness to you (2X)
Though storms o'er thee sweep, he is able to keep
Just think of his goodness – think of his goodness
Think of his goodness to you

Vamp: Think of his goodness

Vamp: Gave me a new determination, stepped into my situation

End: Oh-oh-oh-oh-oh but God
