## *The President Says...*

We're in the countdown...just about a week remains until we'll be in Midland celebrating the 16<sup>th</sup> Anniversary of our Youth and Young Adults. Excitement is in the air and we believe God for blessings in ways beyond what we can ask or think.

Our Board of Directors will meet on Friday morning at 9:00 a.m. We'll also be making preparation during this session for our presentation at the National Convention. It's extremely hot in West Texas, so plan accordingly and by all means, travel safely.

# 116

That's the number of persons who made it their business to register early for our upcoming June session. They will be eligible for the Early Bird Drawings for great prizes.

We don't know if the Early Bird still catches "the worm", but they sure will have opportunities to win some great prizes.

Thanks to everyone who worked to get your numbers in on time. If you're still needing to send your registration in, please do not send any more names/money to the WTX Chapter Registrar. You'll have to pay/register on site. However it would help to plan for headcount if you will send your list of names to the Chapter Rep by email at:

Contact us at [msrosebe@sbcglobal.net](mailto:msrosebe@sbcglobal.net) and tell us what your chapter has going on or share exciting happenings with members of your chapter, your birthdays and other interesting things that you'd like the TMC Family to be aware of.
