

## Help Me Lift Jesus

How to reach the masses men of every birth  
For an answer Jesus gave the key - yeah  
He said if I – if I be lifted up from the earth  
Said that **I'll draw all men unto me - yes**

For the world is hungry for the living bread  
Lift the Savior up for men to see – yeah  
Trust him and do not doubt the words that he said  
He said that **I'll draw all men unto me – yes**

**Lift the savior up (2X)**  
**Until he speaketh – speaketh from eternity**  
**God said if I walk right**  
**God said if I talk right**  
**God said if I live right**  
**God said if I pray right**  
**I'll draw all men unto me – yes**

**Help me lift Jesus**  
**Clap your hands - Stomp your feet**  
**Shout if you want to - But help me lift Jesus**  
**Lift him – higher**  
**I'll draw all men unto me - yes**

## **The God Of Another Chance**

I have gone contrary to your will and to your way  
And I've made mistakes – seems like I make them every day  
But God saw in me what I could be  
I'm glad I serve the God of another chance (2X)

Some people say that we serve the God of a second chance  
But since I messed that one up so long ago, I'm glad that he forgives me again  
And then saw in me just what I could be  
**I'm glad I serve the God of another chance (2X)**

**You forgave me**

**What shall we say then – shall we continue in sin  
That grace may abound but the more – heaven forbid no, no**

**I'm sorry, please forgive me  
I want to do better Lord – thank you for another chance**

I'm glad I serve the God of another chance (2X)

## Ready, Willing, Able

He's **ready** and he's **willing** – he's **able to do what you need him to do for you**  
**(2X)**

Things in life we try to obtain  
We work and we work – still we can't claim  
But if it's in God's will for you, you will find this to be true  
Seek ye first the kingdom of God and all these things will be added unto you  
*(Repeat Chorus)*

Things in life we try to get them any way that we can  
You know that's not how God works – God has a master plan  
But you've got to be faithful, you've got to be steadfast and do what you should  
For those that love the Lord, he's working it out for your good  
*(Repeat Chorus)*

Vamp: *(Repeat as directed)*

**Ready – Willing – Able**
